SDG 11 – Indicator 11.2.1 Public access to buildings

Provide public access to buildings and/or monuments or natural heritage landscapes of cultural significance

Universitas Sriwijaya provides public access to its culturally significant buildings, monuments, and natural heritage landscapes. This initiative demonstrates UNSRI's commitment to preserving heritage and fostering community engagement.

Taman Pendidikan of Faculty of Teacher Training and Education

The Taman Pendidikan at the Faculty of Teacher Training and Education (FKIP), Universitas Sriwijaya, reflects the traditional architecture and cultural heritage of South Sumatra. This facility serves as a practical space for cultural and educational activities, promoting an appreciation for local traditions. By incorporating cultural values into the learning environment, the Taman Pendidikan supports efforts toward preserving heritage while contributing to sustainable development initiatives. The park is open and accessible for public visit.
