SDG 11.2 Support of Arts and Heritage

SDG 11 – Indicator 11.2.6 Record and preserve cultural heritage

Deliver projects to record and preserve intangible cultural heritage such as local folklore, traditions, language, and knowledge. This can include the heritage of displaced communities."

Universitas Sriwijaya is dedicated to preserving and documenting the rich cultural heritage of South Sumatra and its surroundings, in alignment with Sustainable Development Goal (SDG) 11: Sustainable Cities and Communities. Through various initiatives, the university actively records and safeguards intangible cultural heritage, including local folklore, traditions, languages, and traditional knowledge systems.

In 2023, one notable initiative was the *Eksplorasi Peradaban Sriwijaya* (Sriwijaya Civilization Exploration), which involved academics, students, and cultural practitioners from South Sumatra. The program also welcomed students from other universities as part of the *Modul Nusantara* program. The activities focused on introducing and preserving Palembang's cultural heritage, such as wedding customs, traditional dances, oral literature, *Dulmuluk* theater, and noble titles. Participants also visited cultural and historical sites in Palembang, including *Rumah Tjik Mas* in *Kampung Khas Palembang*, *Klenteng Ho Tjing Bio* on Kemaro Island, and the house of merchant *Hong Boe Tjit* in *Kampung 4 Ulu*.

Modul Nusantara Program #1

Modul Nusantara Program #2

In addition to its programs, Universitas Sriwijaya contributes to cultural preservation through research conducted by its faculty and students. These research efforts focus on documenting and analyzing various initiatives aimed at preserving cultural heritage, ensuring that traditional practices and knowledge are systematically recorded and remain accessible for future generations.
