## **SDG 11.4: Sustainable Practices**

### **SDG 11 – Indicator 11.4.5 Affordable housing for employees**

Universitas Sriwijaya is dedicated to supporting its students by providing affordable and accessible housing options, reflecting its commitment to Sustainable Development Goal (SDG) 11: Sustainable Cities and Communities. Through a variety of accommodation facilities, the university ensures that students from diverse backgrounds, including those from underprivileged areas, have access to safe, inclusive, and affordable housing close to campus. These initiatives not only alleviate the financial burden on students but also foster a supportive environment that encourages academic and personal growth. The available housing options include the Student Apartment, Student Dormitory (Rusunawa), and Local Government Dormitories.

#### **Student Apartment:**

The student apartment at Universitas Sriwijaya provides housing for students from various regions, offering an affordable rate of IDR 300,000 per month per student. The facility consists of two separate buildings, one designated for male students and the other for female students. Each building includes 150 bedrooms, with two students sharing a room. The apartments are equipped with facilities designed to ensure comfort and convenience for the residents. Create an introductory paragraph that mentions UNSRI's commitment to providing affordable housing facilities for students in line with the SDG 11

#### **Student Dormitory (Rusunawa):**

The student dormitory, commonly referred to as Rusunawa, serves as a priority housing option for Bidikmisi scholarship recipients from across Indonesia. The dormitory offers highly subsidized accommodation at IDR 150,000 per month per student. Rooms in the older dormitory buildings are shared by two students, while the newer buildings accommodate up to four students per room. Both options come with essential amenities to support the students' daily needs.

#### **Local Government Dormitories:**

The local government dormitories consist of seven buildings, each named after a specific region: Lahat Dormitory (Female), Muara Enim Dormitory (Female), Muba Dormitory (Female), Musi Rawas Dormitory (Male), OKI Dormitory (Male), OKU Dormitory (Male), and Palembang Dormitory (Female). These dormitories are available at a rate of IDR 150,000 per month per student. Each room accommodates two students and is equipped with facilities to provide a comfortable living environment.
