1.4. Community anti-poverty programmes

SDG 1 – Indicator 1.4.3. Programmes for services access

Organise training or programmes to improve access to basic services for all. Universitas Sriwijaya consistently strives to organize training or programs to improve access to basic services for all. This effort begins with developing a Research and Development Master Plan (Rencana Induk Pengembangan/RIP: [Rencana Induk Pengembangan \(RIP\) Penelitian dan Pengabdian Masyarakat](#)). The RIP includes a roadmap not only for 2023 but spans over five years, providing a clear plan for implementing programs in the form of training or activities based on basic services accessible to all groups to achieve sustainability.
