Partnerships for the Goals

17.3 Publication of SDG reports

SDG 17 – Indicator 17.3.10 Publication of SDG 10 Reports

Universitas Sriwijaya is committed to promoting SDGs-10 reduced inequality. Therefore, the Universitas Sriwijaya widely and equally open access to all activities on campus without discrimination. By reducing inequality, the universitas can also work towards reducing income inequality, improving access to education and healthcare, and creating a more equitable society where everyone has an equal chance to succeed.

Universitas Sriwijaya has implemented various programs and initiatives aiming to reduce inequality on campus. These included scholarships for students from low-income families, creating partnerships with local businesses to provide job opportunities for graduates, and community outreach programs focused on improving healthcare and education access in rural areas. Through these efforts, the universitas has been working towards promoting social mobility and reducing the gap between different socio-economic groups in society.
