SDG 17

Partnerships for the Goals

17.3 Publication of SDG reports

SDG 17 – Indicator 17.3.12 Publication of SDG 12 Reports

SDG 12 encourages *Universitas Sriwijaya* to use resources more efficiently, reduce waste and adopt sustainable practices. The goal highlights the needs for reducing food waste, managing organic, in-organic and toxic waste on campus. The approach exercised include:

1. Quality Water Supply.
2. Reducing the Use of Paper and Plastic.
3. Recycling Organic Waste.
4. Inorganic Waste Treatment.
5. Toxic Waste Treatment.
