SDG 17

Partnerships for the Goals

17.3 Publication of SDG reports

SDG 17 – Indicator 17.3.4 Publication of SDG 4 Reports

Universitas Sriwijaya also focuses on SDG 4: Quality Education. This goal aims to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all. The university has been developed and using its own virtual lecture application called US-CamZi. The university's efforts in this area include:

1. Developing and using its own virtual lecture application called US-CamZi.
2. Developing a digital library.
3. Building a Career Development Center.
