SDG 17
Partnerships for the Goals

17.3 Publication of SDG reports

SDG 17 – Indicator 17.3.7 Publication of SDG 7 Reports

Universitas Sriwijaya also addresses SDG 7: Affordable and Clean Energy. This goal aims to ensure access to affordable, reliable, sustainable, and modern energy for all. Realizing the great benefits of clean energy in slowing down climate change, the university now has been able to implement 3 strategies, as follows:

1. Solar Lamps.
2. Research in Clean Energy.
3. Green Building.
