Universitas Sriwijaya also prioritizes SDG 8: Decent Work and Economic Growth. This goal aims to promote sustained, inclusive, and sustainable economic growth, full and productive employment, and decent work for all. The idea is that everyone should have access to dignified livelihoods and be able to provide for themselves and their families without facing exploitation or poverty. To ensure decent work and economic growth for all campus members the universitas exercises 2 (two) scenarios, as follows:

1. Triple-Bottom Campus Development.
2. Talent Pool.
