17.3 Publication of SDG reports

SDG 17 – Indicator 17.3.9 – Publication of SDG 9 Reports

Industry, innovation, and infrastructure are three important areas that contribute to economic growth and development. *Universitas Sriwijaya* as an educational entity continues to strive to make a positive contribution to these 3 components of SDGs 9 through the following scheme:

1. Good Education Services.
2. Community Services: Lecturers and Students Go to Village.
3. Center of Excellence (CoE).
4. Road-map to a World Class University.
5. Comfortable Campus Environment.
6. International Visibility.
