SDG 4
Quality Education

4.3 Lifelong learning measures

SDG 4 – Indicator 4.3.3 Vocational training events (lifelong learning)

Universitas Sriwijaya conducts training for the community outside the university, specifically tailored to their respective fields. For instance, the Faculty of Education at Universitas Sriwijaya organizes training for teachers related to curriculum development. The Faculty of Economics at UNSRI aids taxpayers. Additionally, students through student organizations contribute by organizing teaching programs for schools, making it a mandatory agenda to share knowledge. This collaborative effort reflects the university's commitment to extending educational benefits beyond its campus boundaries.
