Quality Education

4.3 Lifelong learning measures

SDG 4 – Indicator 4.3.5 Lifelong learning access policy

Universitas Sriwijaya, starting from its statutes, UNSRI education standards, and the UNSRI academic guidelines, ensures that learning is accessible without discrimination. This includes the provisions outlined in Rector Regulation of Universitas Sriwijaya Number 5 of 2020 on the Education Standards of Universitas Sriwijaya, which upholds the values of tolerance regardless of ethnicity, religion, and race. This policy is supported by providing scholarships for faculty members and education staff within the Universitas Sriwijaya community. This commitment reflects the university's dedication to fostering an inclusive and tolerant learning environment.
