Dean of the Faculty of Engineering UNSRI Launches Flagship Program and Slogan "Move Forward, Unite, Become Number One" on the 64th Anniversary Commemoration

The Faculty of Engineering, Sriwijaya University (FT UNSRI) officially launched six superior programs as derivatives of six priority programs initiated by the Chancellor of Sriwijaya University. This superior program was delivered to coincide with the peak of the commemoration of the 64th Anniversary of the Faculty of Engineering, Sriwijaya University.

that will be implemented is related to a Climate Friendly Campus, which is implemented through improving infrastructure, sorting waste, using waste as an energy source, and using new, renewable energy in several campus facilities. This is a new policy that will continue to be used in the campus environment
